YOUNG STARS LEARN TO PLAY PROGRAM

Our Young Stars instructional program is a non-competitive program that teaches fundamental skating and hockey skills to kids ages 3-13 years old. No skating experience is necessary. This program is a great way for kids to learn proper technique and safety along with an introduction to game play. Young Stars meet on Thursday evenings @ 6 pm or 7 pm or Saturday mornings @ 9 am or 11 am for 8 weeks. THE PROGRAM IS ONLY \$29 FOR NEW PLAYERS & WE HAVE ALL THE EQUIPMENT TO BORROW! Parents can also learn to skate & play with their kids.

We do take late signups if space is available.
