

## **CSHA COVID-19 RINK SAFETY PROTOCOLS**

- All rink staff & customers are subject to health checks including temporal thermometer scans prior to entering the facility. **PLEASE STAY HOME IF YOU HAVE A FEVER OR A COLD OR FLU- LIKE SYMPTOMS!**
- **ALL PARTICIPANTS MUST HAVE A SIGNED COVID WAIVER ON FILE TO PLAY.**
- **MASKS WILL BE REQUIRED TO BE WORN AT ALL TIMES BY EVERYONE IN THE FACILITY** (except when players are skating on the rink).
- Player's bench areas will be disinfected regularly.
- All rink staff are to wear facemasks (as mandated) and will be required to wash or sanitize their hands regularly throughout their work shift. Sanitation stations will be readily available.
- All players must dress outside of the facility (except goalies). Locker rooms will be closed for now. Putting skates on inside the facility is ok. Benches & chairs will be spaced to maintain social distancing. Goalies are allowed to dress inside the facility.
- Players may enter the facility 20 minutes before their game time. Players must exit the facility in a timely manner after games (no lingering). Teams and players are requested to NOT loiter in the parking lot after playing.
- No spectators will be allowed (for now).
- Only water/drink bottles labeled with player's name will be allowed on player's benches. Water fountains will be closed.
- Bathrooms will be open but maximum 2 persons allowed in at one time. Bathrooms will be disinfected regularly by staff.
- Absolutely no spitting on the rink, player's benches, or anywhere in the facility!
- No up close yelling at other players or referees will be tolerated.
- Teams will not switch sides between periods. No team line ups or handshakes after each game. No loaning of equipment.
- OTHER PROTOCOLS WILL BE ADDED AS DEEMED NECESSARY.
